The Tenderers are not required to write their name on the outer cover containing the bid documents. They are only required to write the name of the work and authority who had issued the tenders. The tender should be submitted **through Registered Post/ Speed Post only.**
8. No tender paper will be received by hand or courier service.

Signature of the Tenderer

Signature of the BDO Laikera

9. The contractors registered with State Government and contractors of equivalent Grade / class registered with Central Government / MES / Railways having registration for Civil, works having competency and expertise in Civil works can put tenders for this work.
10. The contract will be drawn in P.W.D. P-1 contract form.
The contract shall be drawn & signed by concerned **Block Development Officer** on behalf of the Government of Odisha after successful bidding procedure.
11. No tender documents will be sold to the intending tenderer beyond the date and time of sale mentioned in the tender notice.
12. No tenderers will be permitted to furnish their tender in their own manuscript papers. No letter should accompany the tender.
13. The tender should be strictly in accordance with the provisions as mentioned in the tender schedule. Any change in the wordings will not be accepted.
14. The work is to be completed in all respects within **03 (Three)** calendar months from the date of issue of work order.
15. All tenders received will remain valid for a period of 90 days from the last date prescribed for receipt of tenders and validity of tenders can also be extended if agreed by the tenderers and the Department.
16. The bidder shall quote rate on % (percentage) basis only (% excess over / less than / equal) both in figure and words at appropriate place of Tender Schedule.
 - i. In case of percentage (%) rate tenders, only percentage quoted shall be considered. Percentage quoted by the Contractor shall be accurately filled in figures and words, so that there is no discrepancy.
 - ii. If any discrepancy is found in the percentage quoted in words and figures, then the percentage quoted by the Contractor in words shall be taken as correct.
 - iii. If any discrepancy is found in the percentage quoted in percentage excess / less and total rate quoted by the Contractor then percentage will be taken as correct.
 - iv. The percentage quoted in the tender without mentioned excess or less and not supported with the corresponding amount will be treated as excess. Where the Contractor has omitted to quote the rates either in figures and words, the officer opening the tender should record the omission.
 - v. Bills for percentage rate tenders shall be prepared at the estimated rates for individual items only and the percentage excess or less shall be added or subtracted from the gross amount of the bill.
 - vi. No excess over and above the estimated rates shall be allowed in case the lowest tenderer fails to negotiate his rates to estimate rates, the documents shall be forwarded to higher authority for approval.
17. Every page of the D.T.C.N. and tender paper should be signed by the tenderer failing, which the tender will be rejected.

Signature of the Tenderer

Amendment to Appendix-IX, Clause-36 of OPWD Code, Vol-II by inclusion

17.1 If the rate quoted by the bidder is less than 15% of the tendered amount then such a bid shall be rejected and the tender shall be finalized basing on merits of rest bids. But if more than one bid is quoted at 14.99% (Decimals up to two numbers will be taken for all practical purposes) less than the estimated cost, the tender accepting authority will finalize the tender through a transparent lottery system. Where all bidders/their authorized representatives with other official members nominated for the purposes will remain present.

Amendment to Para-3.2.8 Note-II of OPWD Code, Vol-I by inclusion

17.2 In case of tender accepted below schedule of rate, the tender amount excluding percentages shall be treated as sanctioned amount and allotment will be limited to that extent any deviation in scope of work affecting the agreement amount in such an agreement will be governed by the relevant provision of OPWD Code.

Amendment to Para-3.5.18 Note-VIII of OPWD Code, Vol-I

17.3 Before acceptance of tender the successful bidder will be required to submit a work programme and milestone basing on the financial achievement so as to complete the work within the stipulated time period and in case of failure on the part of the agency to achieve the milestone liquidated damage will be imposed.

18. The tenderer shall carefully study the tentative drawings and specifications applicable to the contract and all documents, which form a part of the agreement to be entered in to, by the accepted tenderer and detailed specifications of Odisha, and other relevant specifications of Board of Indian Standard (BIS) and Drawings, which are available.

Complaint at a future date that plans and specifications have not seen by the tenderers cannot be entertained.

19. The drawings furnished with the tender are tentative and subject to revision or modification as tendered during the execution as per actual necessity and detail test conducted. But the tendered rates quoted by the tenderer will hold good in case of such modification of drawings during the time of execution and shall in no way invalidate the contract and no extra monetary compensation will be entertained. The work shall however be executed as per final approved drawing to be issued by the Engineer-in-Charge as and when required. By admission of a tender for the work, a tenderer will be deemed to have satisfied himself by actual inspection of the site and locality of the work, about the quality and availability of the required quantity of material including the wheat/ rice referred to above, medical aid, labour and food stuff etc. in every case, materials must comply with the relevant specification and that rates quoted by him in the tender will be adequate to complete the work according to the specifications attached thereto and that he had taken in to account all conditions and difficulties that may be encountered during its progress and to have quoted rates including labour and materials with taxes, octroi, other duties, lead, lifts, loading and unloading, freight for all materials and all other charges necessary for the completion of the work, to the entire

Signature of the Tenderer

Signature of the BDO Laikera

satisfaction of the Engineer-in-Charge of the work and his authorized subordinates. After acceptance of the contract rate Government will not pay any extra charges for any reason in case the contractor claims later on to have misjudged as regard availability of materials, labour and other factors.

20. The bid must be accompanied by Earnest Money Deposit (EMD) of the amount @ 1% (One percent) of the estimated cost put to tender rounded to nearest hundred rupees i.e., **As Mentioned in the DTCN Column No-6** only along with tender in shape of Fixed Deposit receipt of **Scheduled Bank / Post Office Savings Bank Account / National Savings Certificate / Postal Office Time Deposit Account** duly pledged in **favour of Block Development Officer, Laikera** payable at Laikera as per the terms and conditions laid down in OGFR and in no other form. Bidders desirous to hire machineries or Equipments from outside the State are required to furnish 2% (Two percent) of the amount put to tender in form of above shape and as per the above terms and conditions. Tenders not accompanied with EMD as specified above shall be liable for rejection.
(**N.B.:** - Pay orders or Banker's cheque from any Scheduled Bank in favour of **Block Development Officer, Laikera** shall not be considered as EMD).
21. The tender should be accompanied with the attested true copies of the valid Registration certificate, Valid G.S.T. No. and PAN card which are mandatory and the original certificates are to be produced within 3(three) days of opening of the tender or at the time of opening of the tender before **Block Development Officer, Laikera** for verification otherwise his/her bid shall be declared as non-responsive and thus liable for rejection.
22. The tender containing extraneous conditions not covered by the tender notice are liable for rejection and quotations should be strictly in accordance with the items mentioned in the Call Notices. Any change in the wording will not be accepted.
23. Letters found in the envelope or lowering the rates or dealing with any point in connection with the tender and regarding adjustment of E.M.D. or any other matter will not be considered.
24. The department reserves the right of authority to reject any or all tenders received without assigning any reason whatsoever.
25. The earnest money will be retained in the case of successful tenderers and will be dealt with as per terms and condition of O.P.W.D. Code. The earnest money will be refunded to the unsuccessful tenderers on application after intimation is sent for rejection of their tenders. The retention of E.M.D. with the Department will carry no interest.
26. The Engineer-in-charge will notify the bidder / tenderer whose bid has been accepted for the award prior to expiration of the validity period by e-mail confirmed by registered letter. This letter (hereinafter and in the conditions of Contract called the "Letter of Acceptance") will state the sum that the Engineer-in-charge will pay the contractor in consideration of the execution, completion and maintenance of the Works by the contractor as prescribed by the contract (Hereinafter and in the contract called the "Contract Price").

Signature of the Tenderer

Signature of the BDO Laikera

The Notification of award will constitute the formation of the contract, subject to only to the furnishing of a performance security and (Initial Security Deposit) in form of Fixed Deposit receipt of ***Scheduled Bank / Post Office Savings Bank Account / National Savings Certificate / Postal Office Time Deposit Account*** duly pledged ***in favour of the Block Development Officer, Laikera*** and in no other form which including the amount already deposited as bid security shall be 5 % of the value of the tendered amount and sign the agreement in the P.W.D. form No.P-1 (Schedule XLV No. 61) for the fulfillment of the contract in the office of the concerned ***Block Development Officer or as directed***. The security deposit together with the earnest money and the amount withheld according to the provision of P-1 agreement shall be retained as security for the due fulfillment of this contract and additional performance security in accordance with the provisions of the agreement. The agreement will incorporate all agreements between the Block Development Officer and the successful bidder within 15 days following the notification of award along with the Letter of Acceptance. The successful bidder will sign the agreement and deliver it to the BDO/Engineer-in-Charge. Following documents shall form part of the agreement

- a) The notice-inviting bid, all the documents including additional conditions, specifications and drawings, if any, forming the bid as issued at the time of invitation of bid and acceptance thereof together with any correspondence leading thereto & required amount of performance security including additional performance security.

- b) Standard P.W.D. Form P-1 with latest amendments.

Failure to enter in to the required agreement and to make the security deposit as above shall entail forfeiture of the Bid Security. No contract (tender) shall be finally accepted until the required amount of initial security money is deposited. The security will be refunded after (12) twelve months of completion of the work and payment of the final bill and will not carry any interest (As per order No. 17823 dt. 11.10.2006 of Works Department)

The rates quoted shall be inclusive of any eventuality of difference for co-efficient for linear measurements.
74. Engineering Contractors desiring to avail the exemption facility of EMD should submit an original affidavit as regards, the fact of availing award of work without submission of EMD/ISD during the current financial year. He should also produce original contract license at the time of opening of tender document to make necessary entry to that effect as such facilities are limited to three participation in tender during a financial year. Otherwise, their tender will be liable for rejection.

Signature of the Tenderer

Signature of the BDO Laikera

75. That for the purpose of jurisdiction in the event of disputes if any of the contract would be deemed to have been entered in to within the State of Odisha and it is agreed that neither party to the contract will be competent to bring a suit in regard to the matter by this contract at any place outside the State of Odisha.
76. **SPECIAL CONDITIONS (PART OF THE CONTRACT)**
- (i) All materials before they are being used in the items of works as per this Schedule of quantities and also the finished items of work where tests are applicable shall have to be tested through the Engineer-in-charge of the respective Blocks at appropriate Laboratories according to the relevant I.S. specifications of the materials and the said items of works and the cost of all such tests shall have to be borne by the Contractor and the rates of the items of works should be inclusive of cost of such tests.
- (ii) The tests have to be planned & carried out such that the progress of work is not hampered.
- (iii) The tests are mandatory as per the prescribed frequencies and I.S. specifications. However, these are not exhaustive and the Engineer-in-charge has the right to prescribe other required test if any as will be considered from time to time.
77. In case of ambiguity between clauses of this D.T.C.N. and the P-1 contract form, the relevant Clauses of the P-1 contract form shall prevail over the D.T.C.N. The clauses not covered under P-1 contract form shall be governed by the clauses of the D.T.C.N.
78. It must be definitely understood that the Government does not accept any responsibility for the correctness and completeness of the trial borings.
79. Schedule of quantities is accompanied in the Bid. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of this schedule and that this schedule is liable for alternation or omissions, deductions or alternations set forth in the conditions of the contract and such omissions, deductions, additions or alternations shall no way invalidate the contract and no extra monetary compensation, will be entertained.
80. In case of any complaint by the labour working about the non-payment or less payment of his wages as per latest minimum Wages Act, the Asst. Executive Engineer of the Block will have the right to investigate and if the contractor is found to be in default, he may recover such amount due from the contractor and pay such amount to the labour directly under intimation to the local labour office of the Govt. The contractor shall not employ child labour. The decision of the BDO is final and binding on the contractor.
81. The contractor should arrange the materials like Steel, Cement, paint and bitumen etc. of approved quality and specification (Steel: SAIL/TATA TISCON/JINDAL/SHYAM Cement: KONARK/ACC/ULTRATECH) at his own cost for completion of the work with the time schedule. No extension of time will be granted on the application of the contractor due to delay in procurement of materials.

Signature of the Tenderer

Signature of the BDO Laikera

82. If the contractor removes Government materials supplied to him from the site of work with a view to dispose of the same dishonestly, he shall be in addition to any other liability civil or criminal arising out of his contract be liable to pay a penalty equivalent to five times of the price of the materials according to the stock issue rate or market rate whichever is higher. The penalty so imposed shall be recovered at any time from any sum that may then or at any time thereafter become due to the contractor or from his security deposit or from the proceeds of sale thereof.
83. Though Departmental issue of cement and steel has indicated, it may not be taken as binding. The contractor must have to arrange by themselves cement, steel, bitumen and every sort of materials from approved manufacturer get it tested in the Departmental Laboratory and approved by the Department before use. No extension of time or escalation of price on such account shall be entertained in future.
84. TOR rods, plates and structural members will be supplied in quantity, length and size available in the stock. For payment of reinforcement, the steel including plates etc. shall be measured in length of different diameter, size and specification as actually used (including hooks and cranks) in the work correct to an inch or cm. and their weight calculated as per sectional weight prescribed by the Indian Standard Specification or as directed by the Engineer-in-Charge (Wastage of bars and unnecessary lapping will not be considered for measurement and payment).
85. The contractor should at his own cost arrange necessary tools and plants required for the efficient execution of work and the rates quoted should be inclusive of the running charges of each plant and cost of conveyance.
86. The contractor is required to pay royalty to Govt. as fixed from time of time and produce such documents in support of their payment to the concerned AEE with their bills, falling which the amount towards royalties of different materials as utilized by them in the work will be recovered from their bills and deposited in the revenue of concerned department.
87. Under no circumstances interest is chargeable for the dues or additional dues if any payable for the work.
88. Trial Boring - The Department has no responsibility for the suitability of actual strata at the foundation level. The contractor has to conduct his own boring before starting the work and get the samples tested at his own cost to ascertain the S.B.C. and credibility of the strata at founding level while quoting his rates for tender the contractor shall take in to account of the above aspects.
89. Any defects, shrinkage or other faults which may be noticed within 12 (Twelve) months from the completion of the work arising out of defective or improper materials or workmanship timing are upon the direction of the Engineer-in-Charge to be amended and made good by the contractor at his own cost unless the Engineer for reasons to be recorded in writing shall be decided that they ought to be paid for and in case of default, Department may recover from the contractor the cost of making good the works. The contractor is also required to

Signature of the Tenderer

Signature of the BDO Laikera

maintain the road/ building for 12 (Twelve) months from the date of successful completion of the work.

90. From the commencement of the works to the completion of the same, they are to be under the contractor's charge. The contractor is to be held responsible to make good all injuries, damages and repairs occasioned or rendered necessary to the same by fire or other causes and they hold the Govt. of Odisha harmless for any claims for injuries to person or structural damage to property happening from any neglect, default, want of proper care or misconduct on the part of the contractor or any one in his employment during the execution of the work. Also, no claim shall be entertained for loss due to earthquake, flood, cyclone, epidemic, riot or any other calamity whether natural or incidental damages so caused will have to be made good by the contractor at his own cost.
91. Gradation of ingredients: The coarse and fine aggregate shall meet the grade requirement as per the latest provision of relevant I.S. Code / I.R.C. code / MORT & H specifications.
92. Where it will be found necessary by the Department, the Officer-in-Charge of the work shall issue an order book to the contractor to be kept at the site of the work with pages serially numbered. Orders regarding the work whenever necessary are to be entered in this book by the AEE with their dated signatures and duly noted by the contractor or his authorized agents with their dated signature. Orders entered in this book and noted by the contractor's agent shall be considered to have been duly given to the contractor for following the instructions of the Department. The order Book shall be the property of the concerned Block Development Officer and shall not be removed from the site of work without written permission of the AEE and to be submitted to the Engineer-in-charge every month.
93. The contractor should attach the certificate in token of payment deposit with the registration authority as per recent circular of the Government relating to his registration.
94. The rates quoted by the contractor shall cover the latest approved rates of labours, materials, P.O.L. and Royalties. Arrangement of borrows areas, land, approach road to the building site etc. are the responsibility of the contractor.
95. The rate for each work of concrete items wherever dewatering is imperatively necessary the term dewatering shall mean the execution or operation of the items due to standing water as well as due to percolation of water. The quoted rates will be inclusive of this.
96. In case the 1st lowest tenderer or even the next lowest tenderers withdraw in series one by one, thereby facilitating a particular tender for award, then they shall be penalized with adequate disincentives with forfeiture of EMD unless adequate justification for such back out is furnished. Appropriate action for black listing the tenderers shall also be taken apart from disincentivising the tenderer.
97. **ELIGIBILITY CRITERIA:** To be eligible for qualification, applicants shall furnish the followings.
 - a) Required E.M.D as per the Clause No.20 of this notice.
 - b) Copy of valid Registration Certificate, Valid GST Registration No, PAN card along with the tender documents and furnish the Original Registration certificate and Pan card for

Signature of the Tenderer

Signature of the BDO Laikera

verification within 3 (three) days of opening of the tender before the Block Development officer, Laikera as per Clause No. 21 of this notice.

- c) Information regarding current litigation, debarring / expelling of the applicant or abandonment of work by the applicant and affidavit to that effect including authentication of tender documents as per clause 46 of this notice.
- d) License criteria as per Clause No.09 of this notice.
- e) Authority to seek references from the Bidder's bankers.
- f) The proposed methodology and programme of construction backed with equipment and material planning and deployment, duly supported with broad calculations and Quality Management Plan proposed to be adopted, justifying their capability of execution and completion of the work as per technical specifications and within the stipulated period of completion.
- g) **Work Experience Certificate: - The Tenderer has to submit an undertaking with necessary completion certificate from the competent authority that he must have executed similar nature of work.**

98. AMMENDMENT TO THE CONDITION OF F2 CONTRACT

Clause-2(a) of F2 Contract: -TIME CONTROL: -

- 2.1.** Progress of work and Re-scheduling programme.
 - 2.1.1.** The Block Development Officer shall issue the letter of acceptance to the successful contractor. The issue of the letter of acceptance shall be treated as closure of the Bid process and commencement of the contract.
 - 2.1.2.** Within 15 days of issue of the letter of acceptance, the contractor shall submit to the Engineer-in-Charge for approval of a Programme commensurate to Clause no.14 showing the general methods, arrangements, and timing for all the activities in the Works along with monthly cash flow forecast.
 - 2.1.3** To ensure good progress during the execution of the work the contractors shall be bound in all cases in which the time allowed for any work exceeds one month to complete, $\frac{1}{4}^{\text{th}}$ of the whole time allowed under the contract has elapsed, $\frac{1}{2}$ of the whole of the work before $\frac{1}{2}$ of the whole time allowed under the contract has elapsed, $\frac{3}{4}^{\text{th}}$ of the whole of the work before $\frac{3}{4}^{\text{th}}$ of the whole time allowed under the contract has elapsed.
 - 2.1.4** If at any time it should appear to the Engineer-in-Charge that the actual progress of the work does not conform to the programme to which consent has been given, the Contractor shall produce, at the request of the Engineer-in-Charge, a revised programme showing the modifications to such programme necessary to ensure completion of the works within the time for completion. If the contractor does not submit an updated Programme within this period, the Engineer-in-Charge may withhold the amount of 1% of the contract value from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Programme has been submitted.

Signature of the Tenderer

Signature of the BDO Laikera

- 2.1.5** An update of the Work Programme shall be a programme showing the actual progress achieved, on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.
- 2.1.6** The Engineer-in-Charge's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer-in-Charge again at any time. A revised Programme is to show the effect of Variations and Compensation Events.

2.2 Extension of the Completion Date.

- 2.2.1.** The time allowed for execution of the works as specified in the Contract data shall be the essence of the Contract. The execution of the works shall commence from the 15th day or such time period as mentioned in letter of Award after the date on which the Block Development Officer issues written orders to commence the work or from the date of handing over of the site whichever is later. If the Contractor commits default in commencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the Earnest Money & Performance Guarantee / Security deposit absolutely.
- 2.2.2.** As soon as possible after the Agreement is executed, the Contractor shall submit the Time & Progress Chart for each milestone and get it approved by the Department. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades of sections of the work and may be amended as necessary by agreement between the Block Development Officer and the Contractor within the limitations of time imposed in the contract documents, and further to ensure good progress during the execution of the work, the contractor shall in all cases in which the time allowed for any work, exceeds one month (save for special jobs for which a separate programme has been agreed upon) complete the work as per milestone given in contract data.
- 2.2.3.** In case of delay occurred due to any of the reasons mentioned below, the Contractor shall immediately give notice thereof in writing to the Block Development Officer but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.
- i) Force Majeure, or
 - ii) Abnormally bad weather, or
 - iii) Serious loss or damage by fire, or
 - iv) Civil commotion, local commotion of workmen, strike or lockout affecting any of the trades employed on the work, or.
 - v) Delay on the part of other contractors or tradesmen engaged by Engineer-in-Charge in executing work not forming part of the Contract.
 - vi) In case a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the

Signature of the Tenderer

Signature of the BDO Laikera

remaining work and which would cause the Contractor to incur additional cost, or Any other cause, which, in the absolute discretion of the authority mentioned, in Contract data is beyond the Contractors control.

2.2.4. Request for reschedule and extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The Contractor may also, if practicable, indicate in such a request the period for which extension is desired.

2.2.5. In any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the Contractor by the Block Development Officer in writing, within 3 months of the date of receipt of such request. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Block Development Officer and this shall be binding on the contractor.

2.3. Compensation for Delay.

2.3.1 If the contractor fails to maintain the required progress in terms of clause 2 or to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the Government on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated below as the Block Development Officer (whose decision in writing shall be final and binding) may decide on the amount of tendered value of the work for every completed day / month (as applicable) that the progress remains below that specified in Clause 2 or that the work remains incomplete.

This will also apply to items or group of items for which a separate period of completion has been specified. Compensation @ 1.5% per month for delay of work, delay to be completed on per Day basis.

Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the Tendered Value of work or to the Tendered Value of the item or group of items of work for which a separate period of completion is originally given.

The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Government. In case, the contractor does not achieve a particular milestone mentioned in contract data, or the rescheduled milestone(s) in terms of Clause 2.1.5, the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied at the final grant of extension of time. Withholding of this amount on failure to achieve a milestone shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s), amount mentioned against each milestone missed subsequently also shall be withheld. However, no interest whatsoever shall be payable on such withheld amount.

2.4. Incentive for early completion

Amendment to Para-3.5.5(V) Note-III of OPWD Code, Vol-I by modification

- 2.4.1** For availing incentive clause in any project which is completed before the stipulated date of completion. Subject to other stipulations it is mandatory on the part of the concerned Block Development Officer to report the actual date of completion of the project as soon as possible through fax or e-mail so that the report is received within 7 (seven) days of such completion by the concerned Block Development Officers & the Administrative Department. The incentive for timely completion should be on a graduated scale of 1 (one) percent to 5 (five) percent of the contract value. Assessment of incentives may be worked out for earlier completion of the work in all respect in the following scale;

Before 30% of contract period	=5% of Contract Value
Before 20% to 30% of contract period	=4% of Contract Value
Before 10% to 20% of contract period	=3% of Contract Value
Before 5% to 10% of contract period	=2% of Contract Value
Before 5% of contract period	=1% of Contract Value

2.5. Management Meetings

- 2.5.1.** Either the Engineer or the Contractor may require the other to attend a management meeting. The business of management meetings shall be to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.
- 2.5.2.** The Engineer shall record the business of management meetings and is to provide copies of his record to those who attending the meeting and to the Higher Authority. The responsibility of the parties for actions to be taken to be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

Clause-2 (b) of Percentage Rate P-1 Agreement: - Rescission of Contract (Amendment as per letter No.8310 dt 17.05.2006 of Works Department, Odisha): -

To rescind the contract (of which rescission notice in writing to the contractor under the hand of the Block Development Officer shall be conclusive evidence), 20% of the value of left-over work will be realised from the contractor as penalty.

- 99.** The tenderers are required to go through each clause of Form P-1 includes existing provisions of PWD Code and amendments made there to carefully in addition to the clauses mentioned here in before tendering.
