Sub: Recruitment Notice for Engaging Local Drivers and Operators for Various Vacant Positions.

Sir,
In line with our commitment to prioritizing employment for local residents, with special emphasis on those from project-affected villages, we are pleased to inform you about our recruitment drive to fill the following vacant positions at our project site ILBL OCP, Lakhanpur, Jharsuguda:

1. **60 Nos. of Volvo Tipper Drivers**
2. **6 Nos. of Excavator Operators**
3. **3 Nos. of Dozer Operators**
4. **6 Nos. of Heavy Motor Vehicle (HMV) Drivers**

M/s Kalinga Commercial Corporation Ltd. (KCCL) is committed to providing employment opportunities to the local workforce. We believe that hiring skilled, local candidates will enhance the quality of our operations and contribute positively to the development of the community.

Criteria for Candidature:

1. **First priority** will be given to candidates from project-affected villages. **Subsequently, candidates from the Jharsuguda district** will be considered.
2. Candidates should have a minimum of 3 years of experience in operating the respective machinery or vehicles:
 - **For Drivers (Volvo Tipper / HMV):** Experience in driving relevant heavy vehicles (Volvo Tipper FMX 460 / 500 models).
 - **For Operators (Excavator / Dozer):** Experience in operating Excavators or Dozers.
3. A valid driving license (for drivers) or relevant certification (for operators) and other necessary documents must be provided.

Selection Procedure:

1. Viva interview to assess the candidate's suitability.
2. A trade test to evaluate practical skills and experience with the relevant machinery/vehicles (Volvo Tippers, Excavators, Dozers or HMV models).

Once the candidate is selected as per the procedure, they will be placed on a waiting list for upcoming vacancies, subject to the allocation of area of work (land) by the principal employer.

We welcome recommendations you may have for candidates who meet these qualifications. The selected drivers and operators should adhere to all company policies and they are expected to be dedicated, reliable and compliant with the safety and operational standards required for this role.
