Terms and Conditions (T&C) for the procurement, installation, and maintenance of temporary heatwave relief structures within the jurisdiction of Jharsuguda Municipality.

1. Scope of Work

The selected Agency/Contractor shall be responsible for the end-to-end installation and daily maintenance of temporary sheds designed to provide relief from extreme heat for traffic personnel and the general public.

2. Technical Specifications

To ensure both sustainability and durability, the following material standards must be met:

- * Structure: Must be constructed using high-quality Bamboo poles, securely anchored to withstand local wind conditions.
- * Roofing/Shedding: Materials used must be heat-reflective, waterproof, and wind-resistant (e.g., high-quality tarpaulin, green shade nets with secondary lining, or heat-insulating thatch).
- * Stability: The structure must be robust enough to remain stable during pre-monsoon squalls or high-velocity winds common in the region.

3. Designated Locations

Sheds must be installed at the following high-traffic areas:

- * Kisan Chowk
- * Sarbahal Railway Crossing
- * Railway Station Square
- * Chowkipada Railway Crossing
- * Any other location as directed by the Jharsuguda Municipality authorities.

4. Installation & Safety Guidelines

- * Traffic Flow: Installation must be executed such that there is zero hindrance to the movement of vehicles or pedestrians.
- * Operational Ease: The design must specifically allow Traffic Police personnel to perform their duties effectively while remaining under the shade.
- * Liability: Jharsuguda Municipality shall not be held responsible for any damages, accidents, or legal liabilities arising from faulty installation or structural failure.

5. Maintenance & Repair Mandate

The Contractor bears sole responsibility for the upkeep of the structures for the duration of the contract:

- * Daily inspection to ensure the shed remains clean and functional.
- * Any damage caused by heavy wind, rain, or external factors must be repaired or replaced within 24 hours of the occurrence.
- * Failure to repair structures within the 24-hour window may result in a deduction from the daily payout or termination of the contract.

6. Financial Terms

Interested parties must submit their financial bids based on a per day, per shed rate.

Item Description	Unit	Rate (INR) per Day	Installation and Maintenance of Bamboo	Traffic/Rest Shed	Rate in INR	Remarks If any

- * The quoted rate must be inclusive of all Labour, materials, transportation, and emergency repair costs.
- * Invoices shall be processed based on the actual number of days the sheds were operational and maintained to the satisfaction of the Municipality.

7. Duration

The contract shall remain valid throughout the summer season (typically April to June), or as determined by the prevailing heatwave conditions and subsequent orders from the Municipality.

8. Declaration

By submitting a bid, the Contractor agrees to abide by all the aforementioned terms and conditions and acknowledges that the safety of the public and traffic personnel is the primary objective of this installation.
