

**OFFICE OF THE DISTRICT MAGISTRATE & COLLECTOR, JHARSUGUDA**

No. 888

Date 02/04/26

**CORRIGENDUM NOTICE**

(In Continuation to Tender for Providing Facility Management Services at ABS, Belpahar, Lakhanpur, Dist. Jharsuguda)

In continuation to the earlier tender notification for the selection of an agency for providing Facility Management Services at ABS, Belpahar, Lakhanpur under District Jharsuguda, it is hereby informed to all concerned that, pursuant to the decision and recommendations of the duly constituted Tender Opening Committee during the tender opening proceedings, certain administrative and procedural modifications are being hereby promulgated in the form of this corrigendum.

Whereas, during the opening and meticulous scrutiny of the bids, it was observed that adequate competition could not be achieved owing to non-submission and deficiency of requisite documents by participating bidders, and only a single bidder was found technically responsive, which is not conducive to the principles of fair and competitive procurement. And whereas, it is considered judicious, equitable, and administratively prudent to provide an additional opportunity to prospective bidders to participate in the tender process and to enable previously participating bidders to furnish the requisite documents in conformity with the tender conditions;

Now, therefore, it is hereby notified that:

**1. Extension of Submission Period:**

The last date for submission of tender documents is hereby extended from 02-04-2026 to 08-04-2026 (up to the stipulated time as mentioned in the original tender document) and the technical bid will be opened on 09-04-26 (04:00 PM)

**2. Re-opening of Opportunity:**

Fresh bidders are cordially invited to participate in the tender process, and the existing bidders who were found deficient are also permitted to resubmit their bids with complete and compliant documentation.

**3. No Change in Other Terms:**

All other terms and conditions, eligibility criteria, scope of work, and contractual obligations as stipulated in the original tender document shall remain unaltered and in full force.

**4. Validity of Previously Submitted Bid:**

The bid submitted by the technically qualified bidder shall remain valid and will be considered along with the bids received during the extended period.

This corrigendum is being issued in the larger interest of transparency, competitiveness, and administrative fairness, ensuring a robust and participatory procurement process.

All concerned are hereby requested to take due note of the above amendments and act accordingly.

  
Collector & District Magistrate  
Jharsuguda
